

AK ROYALTY

OVERVIEW.

AK ROYALTY is guaranteed to turn heads wherever she goes. This sleek and spacious 41.4m (136ft) Palmer Johnson sports yacht has just been repainted gold. This work was completed using specialist paint containing real 24-carat gold dust, lending her an undeniably regal splendour.

Fresh from a summer 2023 refit with a spectacular new interior, AK ROYALTY lives up to her name. She has a generous living space for such a fast yacht, with a modern look throughout – from the décor and furnishings to the art on the walls.

For your charter she is kitted out with all the toys she can carry, including a water slide, 12-person inflatable trampoline and scuba jets. Her fleet of jetskis and SeaBobs have the same sparkling, gold livery. Plus, there's a pro wakeboarder, a pro spear fisherman and a dive instructor among the crew, so when it comes to watersports you're in the best possible hands.

Back on board, the party vibe continues with a DJ booth and new speakers in pride of place on the main deck, and state-of-the-art AV systems throughout the interior with iPad controls. However much you rock the boat, she has extra-powerful zero-speed stabilisers to smooth her motion at anchor so comfort is assured.

The sun deck has a range of gym equipment and space for a massage table. When it's time to chill, the foredeck has a huge expanse of sunpad cushions for lazy days and an open-air movie theatre setup for evening screenings on board.

She's designed to host 12 guests in five cabins, including a huge full-beam master suite, with large social spaces inside and out for you all to hang out together. Indoor and outdoor dining tables seat 10 guests. Expect opulent details, like full marble bathrooms and Fendi carpets - the levels of luxury of this yacht are dialled up to the max.

Whoever you take with you on your yacht charter, this vacation will be one to remember.

Key features
