

ALCHEMY

OVERVIEW.

Launched in 2023, ALCHEMY marries striking exterior lines from the naval architects Vitruvius Yachts, penned by Phillipe Briand, with luxurious and modern interior and outdoor areas by Enrico Gobbi and a hybrid diesel-electric powertrain, all delivered by the famously-stylish Rossinavi shipyard.

At 66m ALCHEMY is the ideal size for family charters, with impressive outdoor spaces over four decks offer several lounges and dining areas. When underway, the bridge deck forward makes a good lookout spot. While the beach club and drop-down swim platform are perfect for time on, and by, the water when at anchor. Sit back and watch the children go wild on one of the many inflatables; or join in – there is a very impressive store of watertoys.

For relaxing in the sun, the top deck is a great hangout, with a jacuzzi, loungers and sunpads. Take time for yourself with the yacht's wellness facilities, including a large gym with fitness instructor, spa room and on-board masseuse. ALCHEMY has a young and dynamic crew, with many skills in addition to their yacht crew credentials.

As evening falls, you will want to explore the yacht's wine cellar. There are 230 wines on offer – an opportunity to expand your knowledge and challenge your palette. Ask the chef to create a tasting menu with accompanying wines, to really showcase the collection.

ALCHEMY provides flexible accommodation in six double cabins, one of which can be split into two single berths. The configuration includes a spectacular main deck owner's suite, a VIP cabin on the upper deck and four remaining cabins located on the main and lower decks. A dynamic layout which allows plenty of space and privacy.

ALCHEMY's diesel-electric propulsion means lower fuel consumption, a smoother ride, and less noise and emissions – making your cruising experience even more enjoyable. Her dynamic positioning means you can 'anchor' anywhere you like without even touching the seabed, which reduces the yacht's impact on the marine world.

A yacht of this calibre is in high demand, so get in touch with the Burgess Charter team now to make your booking.

Key features
