# OVERVIEW.

**This exceptionally comfortable megayacht combines Christian Dior styling with every conceivable entertainment, from an automated golf driving range to a custom-made Steinway grand piano and a full-service cinema.**

A chic, understated Francois Zuretti interior is complemented by artwork and accessories hand-selected by the team at Christian Dior. From exquisite tableware in the formal dining room to eye-catching modern art in the elevator foyer, FELIX effortlessly blends style and substance.

This yacht is exceptionally stable, with huge entertaining areas spread across four levels and connected by an elevator that links the main deck to the bridge deck. Head up to the sun deck for incredible views and serious suntanning on its expanse of sun pads forwards and aft, then dip in the jacuzzi or get a drink at the bar to cool off.

The social hub of the yacht is the owner's aft deck where families and friends can enjoy a delicious al fresco lunch at the large dining table, then kick back on the sofas and relax with a good book. Retreat to one of three guest salons if the heat gets too much, or cool off in the cinema with its projector, popcorn machine, reclining seats for 14 and adjoining cocktail bar.

Unusually for a superyacht, the majority of the accommodation is on the main deck, ensuring that each of the six cabins is bathed in natural light and has great views. The vast, full beam VIP suite is considered by many to be equally as impressive as the owner's cabin, with his and hers bathrooms, a large seating area and separate his and hers desks. Two double cabins and two double/twin convertible cabins all have en suite bathrooms, and each cabin is named after a composer. The bright, expansive owner's suite on the deck above features a full beam, semi-circular cabin, his and hers bathrooms, his and hers walk-in wardrobes and a separate office with huge windows and a sofa.

Work up a sweat in the large, well-equipped gym and adjoining sauna, or practise your swing with FELIX's unique piece of sports equipment: an automated golf driving range with biodegradable balls! And if the sea beckons, the crew will unleash a vast selection of watertoys to satisfy even the most restless adrenaline junkie.
