BARBARA

OVERVIEW.

Launched in 2017 by the highly regarded Dutch superyacht builder Oceanco, the construction of BARBARA was meticulously overseen by a very experienced owners team. The 88.5m (290.4ft) motor yacht BARBARA is offered for sale in brand new, turnkey condition.

BARBARA features a distinctive layout split over six decks and an elegant, sweeping curved exterior, making extensive use of structural glass. With interior and exterior design by the renowned Sam Sorgiovanni, the versatile living area, comprises of deck spaces that easily convert into entertainment areas with a vast 'wellness' centre on the sundeck, complete with jacuzzi, fully equipped gym and a large sunbed relaxation area. The lower deck boasts a well-equipped massage and beauty salon and a generously sized cinema.

The extensive accommodation on board comprises a unique split owner's suite with stunning ocean vistas and an impressive double height study complete with port and starboard folding balconies and double height glass sliding doors. There is a double guest cabin on the upper deck, four guest cabins and a convertible full beam VIP cabin located on the main deck. Other standout features include a remarkable teak and steel sculpture that envelops the large guest elevator, a spectacular aquarium made to mirror an aquatic reef, an outdoor cinema on the sun deck which also doubles as a helideck capable of handling up to an EC 155 and a huge lazarette ideal for a watersports enthusiast.
