C2

OVERVIEW.

C2 is a pristine 33m (108ft) Mangusta Gransport yacht offering the absolute latest in high-octane performance, high-end luxury and Italian yachting style. Fresh from her launch at the end of summer 2022, she's in absolutely immaculate condition.

What's special about a brand new Mangusta? The 4,000hp quadruple pod drives deliver exhilarating 25 knot performance – at least twice as fast as the average charter yacht. You also get a lot more living space than most sports yachts can offer, inside and out, along with good fuel economy and a remarkably comfortable ride thanks to her advanced hull shape and powerful stabilisers that keep her motion steady at all times.

There's also a huge sunpad and a large open-air lounge on the foredeck – it's the perfect place to relax in the sunshine and enjoy the warm breeze blowing through your hair. When you've had enough sun on your skin, the crew can rig up the foredeck awning for shade.

Up on the sundeck you'll find another spacious, comfortable lounge and outdoor dining area in the shade of the hardtop, plus a chic cocktail bar and more. With two separate social spaces on the top deck alone, plus the spacious lounge in the main deck aft cockpit, everyone can find their own favourite place to relax outdoors with a perfect view.

Step inside and you'll see how Mangusta deserves its reputation for spectacular style. The floor-to-ceiling windows and huge glass doors of the main saloon make this elegant lounge and dining room feel like an outdoor space, with almost uninterrupted panoramic views in three directions, but the climate in here is precisely, perfectly controlled.

At the forward end of the main deck, your full-beam master suite awaits. This exquisitely styled full-beam cabin is a tranquil haven for private relaxation with a comfy sofa, a study desk, his-and-hers bathrooms, a ceiling TV above the king-size bed and huge windows on both sides to bring the seascape into your bedroom until you push the button to shut the blinds at the end of each perfect day.

Key features

Exhilarating 25 knot performance - at least twice as fast as the average charter yacht
