

EMOTION²

EMOTION²

OVERVIEW.

Built in 2007 by CRN Ancona, she has been masterfully maintained with refits in both 2012 and 2017 leaving her in top cruising condition with the latest in technology too. EMOTION² was created as a prototype fusing the elegance of the earlier model CRN 128 with the practicalities and sheer luxury of the ever popular 54m CRN displacement yacht.

EMOTION² has been cleverly designed to maximise space. Zuccon International Project designed both her exterior lines and her cool, contemporary interior. Fusing cherry wood with a neutral colour palette and adding splashes of red in her soft furnishings, she has a relaxed and inviting aura, ideal for an intimate charter with family and friends. She offers accommodation for up to 10 guests across five cabins in a configuration of one full beam master suite located on the main deck complete with walk-in dressing room, a private balcony and an adjoining office, two VIP suites, one double and one twin on the lower deck. She has multiple entertaining options across her three decks including a sizable upper lounge complete with its own bar, state-of-the-art entertainment system plus a covered alfresco dining area seating 10. Her sun deck is the place to relax with a choice of jacuzzi, sun pad area, adjoining bar and outdoor cinema with 70" drop down TV screen plus the latest sound system. On the main deck, formal indoor dining is a cosy affair around a sophisticated glass table, on deck a breakout area is perfect for relaxed after dinner cocktails.

For the ultimate charter experience, EMOTION² offers a plethora of water toys for lazy days spent out at anchor.

Key features

9.90m Boston Whaler 320 Outrage with 600hp outboard engines
