FORCE BLUE

# OVERVIEW.

**With five levels, four decks of accommodation and a host of unique features, the 70-metre (230ft) explorer yacht FORCE BLUE offers an incredible amount of luxury living space and delivers an enormous amount of fun. Built to impress with huge, spectacular interior lounges and lobbies, she offers her guests a winning combination of world class opulence, full autonomy and an entire deck of accommodation, including a private outdoor terrace, dedicated exclusively to the master suite.**

All of this space, totalling 1,325GT, is designed for just 12 overnight guests in six cabins, served by 21 crew – but it comes with the ability to host huge parties on board.

The key features of this amazing vessel include what is believed to be the largest and most comprehensively equipped spa/wellness centre on any private yacht available for charter, staffed by a professional beautician and masseuse. There's also a large gym, a high-end movie theatre and an outdoor saloon large enough to seat up to 60 diners, which converts into a disco deck with a professional-spec DJ booth, sound system and dance floor. An elevator links the main deck with the sundeck and all other decks in between.

The master suite includes a huge skylounge with three separate seating areas including a cluster of sofas around a fireplace and full-beam glass doors leading out onto a private aft deck. The master cabin itself has a large dressing room en suite as well as a his-and-hers bathroom with a vanity area, a walk-through shower room and a jacuzzi tub.

The full-beam VIP suite on the lower deck also has its own private lounge and a his-and-hers en suite bathroom with vanity and jacuzzi. The other four cabins are three large doubles with queen size beds and one twin that converts into a king size double, all with full en suite facilities.

The spa, located on the lower deck, has multiple treatment rooms housing a hammam steam shower, mudbath, sauna, jacuzzi, hydro massage, massage room and hairdressing salon. The adjoining gymnasium has a full set of Technogym equipment.

FORCE BLUE is also an RYA-accredited watersports training centre and carries a huge fleet of tenders and watersports toys. Who could ask for more?
