LA MIRAGE

OVERVIEW.

The 52m (170.6ft) motor yacht LA MIRAGE has earned an unrivalled charter reputation as a fantastic family charter yacht. Built by Amels in 2007, with interior styling worked by Laura Sessa Romboli and exterior by Tim Heywood Design she boasts timeless styling and a fun, social layout.

Her sleek, streamlined white exterior is sure to turn heads while cruising out at sea and with ample deck space for sunbathing, relaxing, dining and enjoying a dip in the jacuzzi, she is a perfect summer time charter option.

Her cool, contemporary interior offers 12 guests accommodation over six cabins in a configuration of one full beam master suite, one VIP, one double and three twin cabins. The latest audio visual equipment including WiFi features throughout and large communal spaces in the saloon and sky lounge make it a wonderfully social yacht. Throughout her bright interior expect white washed walls with bursts of colour such as nautical blue, vibrant coral and olive green.

For entertainment, guests can utilise the on board fitness equipment or head out on the series of water toys available.
