

MAKE BIG HAPPEN

MAKE BIG HAPPEN

OVERVIEW.

True to her name, MAKE BIG HAPPEN offers an astonishing amount of living space for a yacht of this size. She's beautifully finished inside and out, just a few years old and with a gorgeous contemporary interior by the renowned designer Evan K Marshall she's a lovely and supremely comfortable place to spend some quality time.

Highlights include a very spacious skylounge where you can entertain and party in style, and an exceptional beach club at the water's edge, equipped with a Peloton bike. There's also a large open-air lounge on the foredeck where you can relax on day beds and sofas with breathtaking views, enjoying the cool breeze.

The luxurious master suite up front on the main deck includes a study desk and easy chairs, a bathtub plus a separate shower in its marble-clad en suite bathroom, and amazing sea views from the king size double bed through huge plate glass windows on both sides.

Her versatile guest accommodation also includes two cabins that convert from doubles to twins and a further twin-bed cabin as well as the master suite, so she's a perfect for a wide variety of charter scenarios such as a family holiday, a romantic getaway for two or a special break with a group of friends.

The main deck lounge is a smart and stylish space with separate lounge and dining areas that can easily seat eight people, a barista bar, a big drop-down TV and an informal, welcoming vibe. Almost fully glazed on three sides, you'll feel fully connected to the seascape outside and it flows seamlessly into the aft cockpit, which is a comfortable, sociable outdoor living space with seats around a table, plenty of shade and its own TV and bar.

Up on the bridge deck there's another outdoor lounge facing aft that offers plenty of both sun and shade, with sofas and sunpads plus a jacuzzi tub with panoramic sea views. With the sliding glass doors of the skylounge wide open, the entire upper deck turns into a huge inside-outside space with two separate seating areas, a big barbecue grill and a fully equipped sit-up bar.

She's very well equipped for watersports too, with a RIB tender for waterskiing and trips to remote beaches, an inflatable island with four armchairs, two paddleboards, snorkelling and fishing gear, an underwater scooter, even a hammock. Who could ask for more?
