NADAN

# OVERVIEW.

**This highly acclaimed yacht is a modern classic, combining the highest levels of quality and technology with the timeless elegance and charm of the 1920s. NADAN was designed and built by Burger Boat Company with associated naval architecture by Bruce King, a collaboration that won NADAN the 2010 ShowBoats Design Award for Best Naval Architecture.**

Stepping inside, she is a Ken Freivokh masterpiece. His use of Madrone Burl wall panels enhanced with inlaid Macassar Ebony creates a warm and inviting ambience throughout the main salon, dining room, and guest cabins. A lovely dining area aft on the main deck leads up to a spacious sun deck where you will find large sun pads, a seven-person hot tub, bar and a second informal dining area; the perfect position to enjoy panoramic views.
