

ROX STAR

ROX STAR

OVERVIEW.

The sleek and sophisticated ROX STAR is a stellar charter choice thanks to her high-performance sailing credentials, experienced crew and effortlessly cool interior.

After a refreshing swim off the stern to start your day, a healthy al fresco breakfast is served at the large, comfortable cockpit dining area. It is then time to enjoy a morning of fun on the water off the swim platform, which submerges a metre below sea level for added accessibility. With a large selection of watertoys available, you can snorkel the surrounding areas, explore the anchorage on kayaks, paddleboards, or perhaps try waterskiing and wakeboarding.

With her anchor raised and black sails unfurled, it is time to show off ROX STAR's capabilities on the water. Take the helm under the guidance of the captain and experience the remarkable sensation of manoeuvring her through the waves while propelled by the power of the wind. Or simply enjoy watching the crew as they masterfully guide her on her course.

Once the anchor is lowered again and the morning's action has come to an end, it is time to enjoy lunch on the aft cockpit. A sushi banquet, perhaps, or a selection of fresh local seafood and salads prepared by the chef.

An afternoon trip ashore offers the opportunity to explore a nearby port town or hike along a clifftop trail, should you feel adventurous. Or simply chill out for a few hours and choose between relaxing on the sun pads of the aft deck and the foredeck, accompanied by a freshly mixed cocktail and good company. Alternatively, escape the heat of the day in the sanctuary of the elegant lounge with a drink at the sit-up bar or a game of backgammon with a fellow guest.

Then head to your cabin to freshen up for dinner. ROX STAR accommodates up to 11 guests in five double cabins, including a spacious, full-beam master stateroom with king size bed, skylight and steam shower.

Sundowner cocktails and canapés are served on the aft deck, with breath-taking views of the anchorage at twilight, before you make your way into the lounge for an intimate dinner at the table seating all 10 guests. Then, after the meal, head outside once more to the foredeck which is set up for an outdoor movie night with blankets, or enjoy a nightcap with some stargazing in the lounging area to complete the perfect day on board.
