

TALISMAN C

OVERVIEW.

This immaculate 70.5m yacht was commissioned by the owner of a 54.2m yacht who wanted more space for family fun, more deck space, more toy storage, more room throughout. She has literally been designed and built for family fun.

Glass screens allow a perfect view of sunset over the anchorage from the day beds in the crew's nest and removable awnings deliver shade when needed. The sun deck below has a huge jacuzzi and a shower forward of a sit-up bar and a shaded alfresco dining area with plenty of space aft for activities. There's a 50in screen for movie nights too.

Lounge on the upper deck aft with a sit-up bar to keep everyone hydrated and an informal dining table for afternoon snacking. Inside is a daybed perfectly positioned for reviving snoozes and further forward is a comfortable lounge area with a 65in TV so you can drop the blinds and enjoy movies - or karaoke. There's a games room forward, which doubles as a study.

The staircase has a skylight above lighting an art installation by Crystal Caviar. It leads down to the main deck, with dedicated gym forward. Aft is an impressively large main saloon, stylish but welcoming, and a formal dining area forward, each with feature lighting. Outside is a raised sun lounger and two lounge areas separated by steps down to the amazing beach club.

Opening the huge toy locker with shell doors either side reveals a Novurania Chase 23 for getting ashore and exploring plus a Ski Nautique Super Air Nautique 230 for waterskiing and tow toys for getting thrills on the water. Add to that three Sea-Doos, four SeaBobs, kitesurfing kit and more and you have a yacht that can deliver huge smiles every day.

The master suite is forward on the main deck and features 180-degree views from the comfort of a vast bed. There's also a split-level bathroom, a walk-in wardrobe - even a private library to port that doubles as a wellness centre. To starboard is a VIP double cabin and there are two further double cabins and two twin cabins on the lower deck, making her well suited to family parties of up to 12 in six cabins. Also aboard are 19 expert crew who can't wait to welcome you aboard and help you create unforgettable memories.
