

TEST GLADIATOR

OVERVIEW.

Fresh from a significant refit in 2021-22, GLADIATOR has every element needed for an unforgettable charter experience. From her expansive sea-level living spaces and 14.6m (48ft) chase tender to a professional crew including an exceptionally talented chef that each deliver a seamless service, choose GLADIATOR for the ultimate getaway.

She is deceptively spacious inside and out for a yacht of her size with vast deck spaces and voluminous interiors. She has flexible, family-friendly accommodation with all cabins on the main deck for one-level living, an excellent sun deck with jacuzzi and outdoor cinema, plenty of gym equipment and watertoys for everyone.

GLADIATOR's stand-out feature is the large beach club with a huge hydraulic swim platform extending out to the 14.6m (48ft) Anvera chase tender, which has folding sea terraces aft extending to 5.5m (18.1ft). As well as step-free boarding for the tender, this creates an immense and versatile deck space at sea level where guests spend endless hours of fun. From adrenaline thrills on the Sea-Doos to more relaxed exploring on a water bicycle, bouncing on floating islands and whizzing down a 9m (29.5ft) waterslide from the sun deck, there is so much to do.

Fitness fans will love the gym facilities in the beach club, perfect for sea-level workouts. Once you have reached your fitness goals for the day, you can unwind in the adjoining steam room. When ready for lunch, guests have step-free boarding onto the chase tender that will speed them at up to 50 knots to a deserted white-sand beach where the crew has set up the yacht's BBQ for a beach party.

Come evening, you may choose to dine on the bridge deck aft or in the main lounge for a more formal setting. The sky lounge has floor-to-ceiling windows that can be opened to create a wonderful al fresco space and the sun deck offers another large area with sun loungers, jacuzzi and coffee tables for perfect relaxation under the extendable awning.

Her 10 guests can choose from four convertible cabins on the main deck; all are bright and fresh with large windows and neutral shades of cream, taupe and grey throughout. Waking up in the main deck master suite, guests will greet the morning light through a skylight longer than the bed and picture windows either side before freshening up in an incredibly spacious en suite with a central bath.

GLADIATOR has the sort of charter feedback that lets us guarantee guests a fantastic experience every time.

Key features

Refit/repaint 2021, engineering refit 2022
