

VESPER

VESPER

OVERVIEW.

If there are two yacht cruising paradises, then they must surely be the idyllic Bahamas over winter, and historic, romantic New England in the summer. The sleek, stylish VESPER is ready and waiting to deliver both experiences for you.

Lovers of outdoor life will enjoy her choice of outdoor dining options: one on the sun deck beneath skylights in the hardtop and a second on the main deck aft, closer to the soothing sound of the sea. Breakfast, lunch or dinner, either fits the bill perfectly – and of course there is formal dining inside for those very special occasions. Wherever you dine, the chef will impress you with creativity, talent and exceptional taste.

Both are served by fully equipped bars, so guests will always be well refreshed, and both have lounge seating nearby where post-prandial conversation about the amazing day you've had can continue over a digestif. Aft on the sun deck is the jacuzzi where guests can soak in the sun and take in the views as the captain guides the yacht to the next port or anchorage. If you'd prefer, you could watch the captain in action at the flybridge helm station.

If sunbathing with a cooling breeze through your hair is more your style, walk along the main deck to the huge foredeck sun pad and set yourself up with a good book – if you can manage to keep your eyes off the stunning scenery gliding by. If the midday heat becomes a bit too much, you can always retreat to the air-conditioned glory of the main saloon where there are movies a-plenty to keep you entertained underway.

On arrival at the next anchorage, a hull door opens to reveal the yacht's garage, complete with a suite of watertoys and gym equipment for an on the water workout. VESPER's 11m (36ft) Yellowfin towed tender is ready to take you ashore to explore the local bars, restaurants and cultural hotspots. Or you can head for the nearest deserted beach where the crew can prepare a BBQ while you snorkel in the shallows.

She has a great selection of toys including sport fishing gear, plenty of inflatable toys and two waverunners, SeaBobs and an eFoil so there will be no shortage of thrills on VESPER. If you like to get closer to the underwater world, she has a compressor so rendez-vous scuba diving is another option.

All in all, VESPER has everything required to give you and up to 10 guests in five cabins a holiday they will never forget. Book now to experience something altogether finer.

Key features

Timeless design; essence of luxurious 'at sea' living
