

W EXPLORER

OVERVIEW.

The elegant 36m Benetti Sail Division motor yacht W EXPLORER is an exciting addition to the charter fleet. Joining Burgess in 2018, she underwent an extensive refit in 2016 where both her exterior and interior were revamped. Emerging in excellent condition, she is an appealing prospect for a charter with family and friends.

A unique yacht on the charter circuit her sophisticated and timeless styling appeals to a wide audience. Perfectly created with social interaction in mind, guests will enjoy the spacious decks.

The sun deck includes a jacuzzi plus a bar with BBQ and dining area complete with a state-of-the-art surround system. Ideal for those lazy sea days. Forward of the bridge, also on the sun deck, an added relaxation area is present; guests can take in the idyllic scenery of the Mediterranean from this heightened position.

The main deck offers ample dining and relaxation areas. From the aft deck, guests can step aboard to be immediately welcomed by an intimate alfresco dining option flanked by a padded bench style seating area. Protected by windbreakers and the option of the infrared heating system allows this deck to be used whether at anchor or cruising. The aft main deck seamlessly flows into the main lounge eventually reaching the formal dining area, capable of seating eight guests.

Moving down the yacht on to the lower deck, four cabins can accommodate up to nine guests in a configuration of master and VIP (both full width) and a further two twin cabins. All guest cabins have en suite green marble bathrooms.

For those that enjoy getting out on the water to take advantage of the enviable selection of watertoys, a sizable swim platform which is easily accessible is present complete with shower and ladder. With an experienced crew of six, a charter on board W EXPLORER is sure to be an unforgettable experience.
